

A photograph of a baby being held by a parent. The parent's chest is visible, and a red soda can with a clear plastic cup of soda and ice is resting on it. The baby is lying on the parent's chest, looking towards the camera. The text is overlaid on the left side of the image.

# A child in good health, It's depends of you.

Some of the food habits we have can have disastrous effects on our health. That is why, from birth it is important that the food habits of your child are healthy. Where from the importance to introduce very young fruits and vegetables especially in countries with strong Junk Food habits, where the children do not know these products.

## Give them a better future
